

UPTON VALE BAPTIST CHURCH TORQUAY

Pastor (Head of Adult Ministries)

Upton Vale is a large town centre church with a reputation for strong evangelical teaching, lively and informal worship and a thriving children and youth ministry. In recent years the church has seen a steady influx of people including many who are new to the Christian faith. The fellowship now contains a broad mix of people who cover the entire social, demographic and discipleship spectrum.

The Pastor (Head of Adult Ministries) will work as part of a small ministerial team under the leadership of Rev Andrew Green. This person will head up a wide range of ministries to adults and will spearhead our focus ***Outside the Walls*** in Outreach and Social Action. Andrew has an established ministry as a Pastor/Preacher but there will be significant opportunities for the new Pastor to work with him in these areas of ministry.

In addition to personal and spiritual maturity, the person we are seeking will be a good team leader, initiator and organiser and will have significant ministry experience particularly in leading outreach and social action initiatives. This person will be a good preacher and teacher and be able to communicate effectively in informal contexts. The role is suitable for a Minister with a few years experience who is looking to develop within the team environment of a large church or may suit an exceptional college leaver.

To find out more about the church, our direction and mission, or the vacancy please go to www.uptonvale.org.uk
