Summer Lettings Here in the Upton Vale Building - Getting Access to the Church -

For most of June and July, quite a number of our rooms are being let out to local Language Schools. This is in addition to the regular weekly lets and includes substantial use of the main church. If you need to get access during the week, please contact the Church Office first. This creates a lot of extra work for our caretaking team and church office administration. It would be good to remember in prayer those involved in this work.

Photographs in Church: If you need to take a photo, please focus only on your family member/friend and under no circumstances should any photos be posted on social media. Thank you for your help in this.
